

The volume explores Nobel laureate Amartya Sen's contention that shame lies at the core of poverty. Such shame not only hurts, adding to the negative experience of poverty, but undermines confidence and individual agency, can lead to depression and even suicide, and may well contribute to the perpetuation of poverty. The volume explores Nobel laureate Amartya Sen's contention that shame lies at the absolutist core of poverty. People in poverty typically feel deeply ashamed at being unable to fulfil their personal aspirations or to live up to societal expectations due to their lack of resources.
