

JUMP Math: Workbook 1, Part 2

RP6-1 Sequences

In an **increasing sequence**, each number is greater than the one before it.

Deborah wants to continue the number sequence:

She finds the **difference** between the first two numbers:

She finds that the difference between the other numbers in the sequence is also 2. So the sequence was made by adding 2:

To continue the sequence, Deborah adds 2 to the last number in the sequence.

The next number in the sequence is 14:
